### Definition of a Candidate

#### COLORADO CONSTITUTION ARTICLE XXVIII (Amendment 27)

Section 2 (2) "Candidate" means any person who seeks nomination or election to any state or local public office that is to be voted on in this state at any primary election, general election, school district election, special district election, or municipal election. "Candidate" also includes a judge or justice of any court of record who seeks to be retained in office pursuant to the provisions of section 25 of article VI. A person is a candidate for election if the person has publicly announced an intention to seek election to public office or retention of a judicial office and thereafter has received a contribution or made expenditure in support of the candidacy. A person remains a candidate for purposes of this article so long as the candidate maintains a registered candidate committee. A person who maintains a candidate committee after an election cycle, but who has not publicly announced an intention to seek election to public office in the next or any subsequent election cycle, is a candidate for purposes of this article."

## Helpful Tips to Get You Started

**Tip 1:** Review the candidate requirements and office responsibilities and duties of county elected offices in the Colorado Constitution and Colorado Revised Statutes and ensure you meet the qualifications. These may be found online at <http://www.lexisnexis.com/hottopics/Colorado>.

**Tip 2:** Review your voter registration at [www.GoVoteColorado.gov](http://www.GoVoteColorado.gov) to ensure that you are registered to vote and qualified to run for office, including your voter registration date, party affiliation and affiliation date. Confirm with the county, city, school district, or special district in which you are running that you are a resident of that jurisdiction.

**Tip 3:** You become a candidate when you publicly announce your intent to run for office and receive a contribution or make an expenditure in support of your candidacy. You must register a candidate committee with the Secretary of State at [tracer.sos.colorado.gov](http://tracer.sos.colorado.gov) before receiving or spending any money.

**Tip 4:** Familiarize yourself with Colorado campaign finance rules and laws, as well as the Secretary of State's TRACER system for all campaign finance disclosure reports and committee registration using the following resources:

- Colorado Campaign and Political Finance Manual published by the Colorado Secretary of State, available online at [tracer.sos.colorado.gov](http://tracer.sos.colorado.gov)
- Colorado Constitution Article XXVIII (Campaign and Political Finance) and XIV (Counties)
- Colorado Revised Statutes (C.R.S.) Title I, Article 45 (Fair Campaign Practices Act) and Article 4 (Elections-Access to Ballot Candidates)
- Current-Year Election Calendar and campaign finance filing calendars at <https://www.coloradosos.gov/pubs/elections/CampaignFinance/filingCalendar.html>

Be prepared to register a candidate committee and submit your campaign finance disclosure reports within the timeframes allotted by Colorado law. Failure to file on time can result in monetary penalties.

**Tip 5:** Get your name on the ballot in one of three ways (see page 7-10 for details):

- 1) Certificate of Designation by Assembly
- 2) Certificate of Designation by Petition
- 3) Certificate of Designation by Write-In

**Tip 6:** If you are running for county coroner or sheriff, you are required to undergo a fingerprint analysis for a background check. Call the Election Division for information. 719-276-7340

**Tip 7:** Complete a Candidate Affidavit Form within 10 days of becoming a candidate. (C.R.S. § 1-45-110)

## Becoming a Candidate

There are three ways to get your name on the ballot, depending upon your party affiliation. These options include assembly nomination, petition, or write-in process. [C.R.S. § 1-4-102] Candidate forms are available on the Colorado Secretary of State's website at [www.coloradosos.gov](http://www.coloradosos.gov). For detailed information, please see Colorado Revised Statutes Title 1, Article 4 on Access to the Ballot by Candidates at <https://lexisnexis.com/hottopics/Colorado/>.

## Certificate of Designation by Party Assembly

Major and minor party candidates may seek nomination to run for office at their political party's assembly. **Candidates who want to be a part of this process should contact their political party for assembly protocol, dates and rules.** See page 12 for contact information. You must be registered and affiliated with that party no later than the first business day of January of the election year, unless party rules state otherwise. [C.R.S. § 1-4-601(4)(a)] At the assembly, the Party delegates vote on the candidates, and:

- *Major party candidates nominated by assembly are placed on the Primary Election ballot.*
- *Minor party candidates will not appear on the primary ballot unless there is more than one person for that office nominated by assembly and/or petition.*

If you receive your party's nomination, a Certificate of Designation by Assembly must be filed by the political party with the Fremont County Elections Division no later than four (4) days after the adjournment of the assembly. [C.R.S. §1-4-604(3) and 1-4-1304(3)] Certificates of Designation may be transmitted by fax or email; however, the original certificate must also be filed and postmarked no later than ten (10) days after the adjournment of the assembly. Each candidate designated by assembly must file a written acceptance of designation with the Fremont County Election Division within four (4) days after the adjournment of the assembly, and if the acceptance is transmitted by fax, the original acceptance must be postmarked no later than ten (10) days after the adjournment of the assembly. [C.R.S. § 1-4-601(3) and 1-4-1304(4)]

Assembly of major political parties shall be held no later than 73 days preceding the primary election. [C.R.S. § 1-4-601(1)]

A candidate must receive 30% or more of the assembly votes to be certified as a candidate for office. [C.R.S. § 1-4-601(2)]

If no candidate receives 30% or more of the votes cast, a second ballot shall be cast on all candidates for that office by the assembly. If on the second ballot, no candidate receives 30% or more of the votes cast, the two candidates receiving the highest number of votes must be certified as candidates for that office by the assembly. [C.R.S. § 1-4-601(2)]

Forms to be filed with County Clerk and Recorder (filed by political party)

- ✓ Certificate of Designation by Assembly
- ✓ Candidate Acceptance of Designation

## Certificate of Designation by Petition

The petition process involves circulating a written petition to other electors eligible to vote who share your party affiliation and obtaining their signature in support of your candidacy. See C.R.S. § 1-4-8 et seq. on Nomination of Candidates by Petition.

**Unaffiliated candidates** must get on the ballot through the petition process. There is no assembly or primary election for unaffiliated candidates. Unaffiliated candidates nominated by petition are placed directly on the General Election ballot. An unaffiliated candidate must be registered as unaffiliated no later than the first business day of January immediately preceding the election for which the person desires to be placed in nomination.

### Forms to be filed with County Clerk and Recorder:

- ✓ Unaffiliated Candidate General Election Designation Petition

**Affiliated candidates** (major or minor party) may use the petition option, in addition to or as an alternative to the assembly process. However, a candidate may not petition onto the ballot if they have attempted and failed to receive at least 10 percent of the votes for nomination for the same office at their party's assembly. A candidate must be affiliated with the political party no later than the first business day of January immediately preceding the election for which the person desires to be placed in nomination.

### Forms to be filed with the County Clerk and Recorder:

- ✓ Major Political Party Primary Designation Petition
- ✓ Minor Political Party Designation Petition

## Petition Circulation

The Fremont County Elections Division may provide a sample petition, or a candidate may create his or her own following the requirements in C.R.S. § 1-4-901 and 902. The Clerk must approve all petition formats prior to circulation. Each petition may contain only one candidate's name. After collecting signatures, the completed petition must be filed with the Fremont County Elections Division by the statutory deadline. The Elections Division will verify the signatures and notify the candidate of sufficiency or insufficiency of the petition.
